Additional Functions

- » Fully equipped for the future of digital DJing and inspired by the input of world-renown DJs, the ingenious CDJ-1000MK3 houses a host of new and refined 'feel-good' features.
- » Combining convenient MP3 compatibility, a fast folder search facility, enhanced presentation of track/wave data and an improved jog wheel with adjustable traction, the MK3s are designed to deliver the most advantageous digital DJ experience. With additional creative possibilities for live re-mixing easily accessible via the new hot loop feature and with gold RCA connectors to maximise the high fidelity sound, the CDJ-1000MK3s put your performance first!
